

June 7, 2010

Dear WAGIC Colleague,

Attached is the agenda for our June 2010 meeting. I am certain you will find topics of interest among those on our agenda. I invite you to attend via WebEx. Please see details at the end of this memo.

The June WAGIC meeting focuses on both state and national topics. The first presentation, by Ian von Essen, Spokane County GIS and incoming WAGIC Chair, will include the *Results of the WAGIC Chair-elect Elections* and an *Update on the State GIS Business Plan*, which is the implementing document to the recently adopted and published state GIS Strategic Plan. The second presentation, by Tom Carlson, USGS Washington Geospatial Liaison, covers several topics – *The National Map Viewer and International Charter or National Grid*. Our third presentation, by David Wright, GIS Analyst, Washington Department of Revenue, describes the *Statewide Tax Code Areas Data Management Initiative*.

We will conclude our meeting with our usual site roundtable, which is your opportunity to bring up issues or events of interest to the group. In addition, during this part of the meeting the WAGIC reins will be turned over to Mr. Ian von Essen who has served this past year as WAGIC chair-elect.

The usual videoconference sites will be NOT available for this meeting. See details below.

If you have questions about the upcoming meeting, please contact Ian Von Essen via email at [ivonessen@spokanecounty.org](mailto:ivonessen@spokanecounty.org), phone at (509) 477-6344, or myself at (509) 358-7911.

Sincerely,  
Kerry Brooks  
WAGIC Chair (outgoing)
